

Lesson 1

Independent Practice Page #1

Part 1 - Each word is missing its long A sound. Fill in the correct spelling for long A. Choose from A, AI, or AY. Be careful! There are silent E, consonant L+E, open, and vowel team syllables. You'll need to think carefully about the type of syllables each word contains. When you are done, read each word out loud and state the kind(s) of syllables you found.
