

Lesson 3

Independent Practice Page #1

Part 1 - Each word is missing its long I sound. Fill in the correct spelling for long I. Choose from IE, IGH, Y or I. Be careful! There are vowel team, silent E, and open syllable patterns. You'll need to think carefully about the types of syllables each word contains. When you are done, read each word out loud and state the kind(s) of syllables you found.
