

## Lesson 5

### Independent Practice Page #1

**Part 1** - Each word is missing its long U sound. Fill in the correct spelling for long U. Choose from EW, UE, U or U\_E. Can any words use more than one? There are vowel team, silent E, and open syllable patterns. When you are done, read each word out loud and state the kind(s) of syllables you found. Hint: If you get stuck, try using the other sound for long U.
